The board meeting of the Corpus Christi Pistol & Rifle Club was called to order at 6:30 P.M. in the clubhouse, President Robert Harman presiding. seven board members, the manager and the secretary were present. The minutes of the previous meeting were read and approved with no additions or corrections.

Manager’s Report:

Manager Hank Shaper has started more maintenance with the hiring of a painter. This will free up other personnel for grounds maintenance.

A trap mechanic worked with our people for several days and a lot of good info was acquired at a cost of only \$100.

An arrangement has been made to install fluorescent lighting in the club house and rewire same. Much of this work and material will be donated and costs will be minimal.

Hank also had a report on the cost of the Canterbury wireless speakers for \$2,000.00. A trade out on some old machines would also minimize this cost.

Secretary’s Report:

A \$100 donation was made to the club by one of our “Winter Texan” friends, Mr. Art Yonke. Thanks Art!

Committee Reports:

None

Old Business:

Bill Fowler requested that caliche be moved to the rifle range at the first opportunity as there is considerable traffic in the wet areas. Several areas are in need of leveling as well as the main road.````

New Business:

Roy Richter moved to buy a set of the Canterbury wireless speakers. Lee Dowdy second and the motion carried unanimously.

Roy Richter is still in the process of getting the “Steel Challenge” organized for Thursday nights as well as the monthly shoot. Interest has been encouraging and all indications are that the program will be well received.

The board reviewed and approved 21 new members.

The meeting was adjourned at 7:45 P.M.

Respectfully submitted,

B.W. Sprott
Secretary

Robert Harman
President
